5:30 pm PSY: "Serve dinner for Family Promise"

Family Promise is a program for homeless families. They stay at churches for a week at time then rotate to another. The week of March 7th, they will be staying at our church. We will be cooking and serving dinner for them, which will be their first night here so we want to help them feel welcome. Meet at the COMMUNITY CENTER at 5:30. We will still finish at our usual time at 7:30.
